A word about investing in our personal, spiritual and leadership development to support our soul mission.

It was never intended for us to struggle and carry the expense on our own as a burden. My Mentor, Kaia Ra has taught me the choice to invest in myself and my soul purpose can be a powerful invocation to prosperously receive.

If you know your Higher Self is calling you to make this or any investment in yourself, state your intention to your Higher Self and Life to receive it back 10 fold. Call upon your Higher Self and multidimensional mentors - Isis, Hathor, Mother Mary and Mary Magdalene - to provide the funds or show you how to access them.

Our Source always has our back when something is truly in alignment with our highest good.

*If your Soul is a solid Yes but the investment is a stretch beyond what you can truly manage currently, reach out to discuss possibilities.
